Good

Can be managed

KEEP WELL

All the students are not able to get the books due to its availability

my marking regarding the classrooms is based on few days i went to college,most of our academics where based on online.

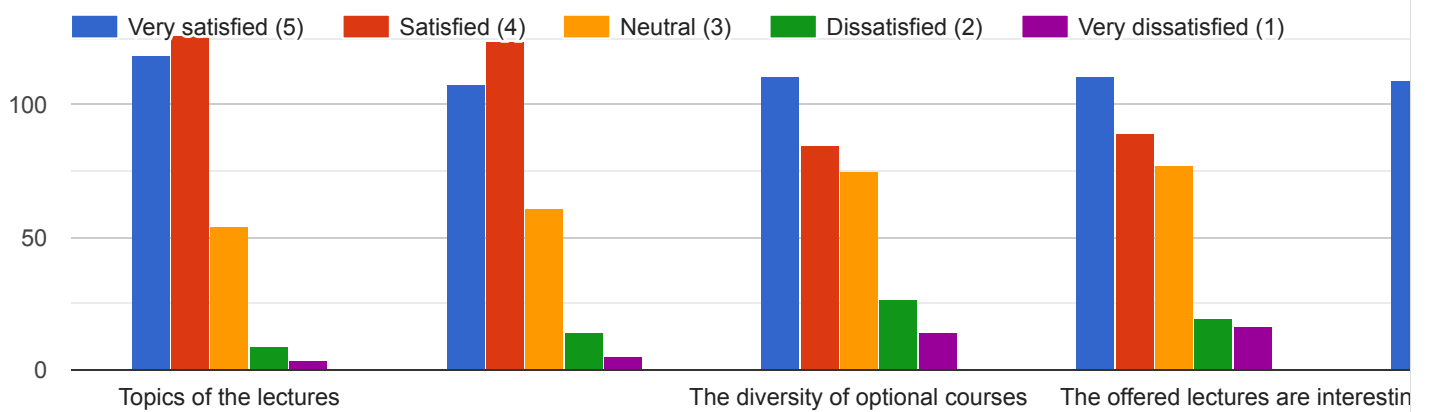

Please include more books of Indian authors which will be more useful for Indian students as well as others.

The internet connection is very slow please fix the issue .

Some rooms are congested please make sure that there is ventilation in rooms which help the students to learn in a good environment

C. Please evaluate your satisfaction level towards the study programme and curriculum of "Nicolae Testemitanu" SUMPh

.

Good

The university is good , life is good but there is sometimes things that force us to keep looking forward to leave

Nothing

GOOD

Goo

There is no scholarship for Medicine 2 students which is very bad,the university don't support international students. Regarding insurance we are paying very high amount for 1year but we leave the university in 6months rest amount is payed has no use so make changes in insurance policy. The university fees is increased per year but quality of education is low please increase the quality of education.
